PRIVA-LITE PRE-FRAMED

'You like the unique effect of changeable translucency offered by the PRIVA-LITE glass, but you are afraid to order many glass panels, afraid of the work of the assembly team, and of the time necessary to make the room where you wish to install the glass accessible again?'

Your solution is PRIVA-LITE PRE-FRAMED, prepared in the 'PLUG AND PLAY' system. You order one framed glass pane, you install it as an element of your wall, you just plug it in and ... here you go! You can enjoy the unique effect of smart glass.
